

# Bozzolo – Mantua railway doubling

## HOW TO GET AROUND BY PUBLIC TRANSPORT SERVICE INFORMATION

**Work has begun to totally refurbish the Milan–Cremona–Mantua railway line, which includes the elimination of level crossings. For this reason, until the end of 2026 trains will not be running between Bozzolo and Mantua. A replacement bus service is planned from Bozzolo station to Mantua station and vice versa.**

Things to know before travelling:

- Road journey times are different from train journey times; the replacement service has been arranged to coincide with the Milan–Cremona–Bozzolo train timetable, with trains running regularly
- Bus travel times may vary due to road traffic conditions
- it is not permitted to transport bikes on buses

- The Trenord ticket/subscription is valid both on trains and on buses connecting the stations
- Those departing from stations without a ticket office can purchase their ticket on the Trenord app and website or from the train conductor after boarding at Bozzolo, at no extra charge
- The bus stopping points are indicated on the attached map
- On the replacement service, access for passengers with reduced mobility is guaranteed. Customers who need this service can report their travel needs at least 24 hours before departure, through the Sala Blu assistance channels (toll-free number **800 90 60 60**; national number with ordinary tariff +39 02 32 32 32; active every day from 6.45am to 9.30pm)
- For passengers with reduced mobility, there is also a dedicated Trenord toll-free number **800 210 955** (active every day from 8:15 a.m. to 7:45 p.m.) and an e-mail address at [disabili@trenord.it](mailto:disabili@trenord.it)
