

Works between Colico and Tirano towards Milano Cortina 2026

HOW TO GET AROUND BY PUBLIC TRANSPORT IN VALTELLINA

From 10 June to 8 September 2024, RFI will undertake infrastructure upgrading and extraordinary maintenance works between Colico and Tirano, in preparation for the Milan Cortina 2026 Olympics, impacting services on the RE8 Milano-Lecco-Sondrio-Tirano, R12 Sondrio-Tirano and R13 Lecco-Colico-Sondrio lines. Railway services will be suspended in the section affected by the works. Trains will run between Milano and Colico; between Colico and Tirano a replacement bus service will operate, with direct services to and from the main stations and services making all the stops scheduled for trains.

Things to know before travelling:

- The Trenord website and App are updated: consult them before travelling
- Travel times by road are different from those by train
- On replacement buses it is permitted to transport folding bikes or micromobility devices; it is not permitted to transport traditional bicycles

- On replacement buses, it is permitted to transport small pets in the appropriate carrier as well as dogs accompanying blind passengers
- Trenord tickets/rail passes are valid both on trains and on replacement buses
- Travellers departing from stations without a ticket office or during their closing hours can purchase their ticket on the Trenord App and website or from the train conductor if they have boarded the train at Colico, at no extra charge
- On the replacement service, access for passengers with reduced mobility is guaranteed. Customers who need this service can report their travel needs at least 24 hours before departure, through the Sala Blu assistance channels (toll-free number **800 90 60 60**; national number with ordinary tariff +39 02 32 32 32; active every day from 6.45 to 21.30)
- For passengers with reduced mobility, there is also a dedicated Trenord toll-free number **800 210 955** (active every day from 8:15 to 19:45) and an e-mail address, disabili@trenord.it
